INNER REALM OF PATRIA

Dear Sir.

**A CALL FOR RECOGNITION AND TOTAL SOVEREIGNTY**

I wish to inform you that, the Cameroon Government is interested and open in recognising your Kingdom, as a *Sovereign Kingdom* and will provide for your Kingdom a special zone in an approximate 6 to 12 thousand acres at min for your activities. This area will be a special territory (a State in Cameroon with a government that functions such as Vatican enjoys in Italy).

You shall be granted as a formal autonomous state the full sovereign right over the zone to be provided.

Thus you shall have all the rights to exercise as a free state loyal to the Cameroon National Legislations and Constitution. Keeping in mind that you do have your own National Constitution.

Please if you have any text of a Treaty draft which may be signed with our Government to grant you formal recognition, kindly send it to me .

Thanks for your utmost attention and waiting for your reply

Respectfully,

*Rebecca M. A. AWAN*
